Subject: Development of games & sports activity in
the Board.

Sir,

I am directed to say that in the Annual General Meeting of the UPSEB Sports Control Board held on 25.6.1985 at Lucknow, the Chairman who presided over the meeting, inter-alia observed that we should fix objectives in whatever activity we undertake and achieve them. After discussions in the meeting, it was decided that the disciplines of Badminton, Table Tennis and Cricket be adopted as the games of the year. With this objective, the Chairman desired that concerted efforts should be made to bring Gold in these three games in the All India Electricity Board tournaments during 1985-86. It was also decided that apart from these three games, the standard of teams in other games may also be developed gradually.

In this connection, I am to inform you that the Board Badminton and Table Tennis teams have already won Gold in the U.P. Public Sector Undertakings tournaments and the All India Electricity Board tournaments held during 1985-86. As the All India Electricity Board Cricket tournament is yet to be held, necessary instructions have already been issued separately to the concerned G.Ms. and C.Es., where the good Cricket players are posted to keep a record of their performance.

(3)

4. Chief Accounts Officer, U.P. State Electricity Board, Shakti Bhawan, Lucknow.
